

# MUNIM HASAN WASI

## Undergraduate Student

@aidan@kaist.ac.kr    aidanhere.github.io    aidanhere  
aidanhere    aidanhere91  
Jillie Hall, KAIST, 291 Daehak-ro, Yuseong-gu, Daejeon 34141, Republic of Korea  
Daejeon, South Korea

## EDUCATION

### University

#### Korea Advanced Institute of Science and Technology

August 2021 – Ongoing    Daejeon, South Korea

- Bachelor of Science in Computer Science
- Minor in Economics
- CGPA 3.31

### High School

#### Cumilla Victoria Govt. College

July 2018 – January 2021    Cumilla, Bangladesh

- Science Group (with Higher Mathematics & Statistics)
- GPA 5.0

## EXTRACURRICULAR ACTIVITIES

### Head of Web Division

#### KAIST International Students Association

July 2022 – Ongoing    Daejeon, South Korea

- Leading the team and distributing tasks for maintaining and improving the Django-based website of KISA
- Being integral part of the internal board of KISA to decide on its future course and activities

### Member

#### RUN: KAIST Algorithmic Problem Solving Club

March 2022 – Ongoing    Daejeon, South Korea

- I've been a member of RUN since Spring of 2022 and have been participating in practice contests and competitions

### Co-founder, Mentor

#### Cumilla Math & Science Forum

October 2018 – Ongoing    Cumilla, Bangladesh

- Taught Informatics and Mathematics classes
- Hosted the Winter Camp 2020 by CMSF

## CS COURSES

- CS101 - Introduction to Programming - Grade: A+
- CS109 - Programming Practice - Ongoing
- CS204 - Discrete Mathematics - Ongoing
- CS206 - Data Structures - Grade: A+
- CS230 - System Programming - Ongoing
- CS300 - Introduction to Algorithms - Grade: B

## ACHIEVEMENTS

#### APIO 2019

116th internationally & 2nd nationally unofficial honorable mention

#### BDOI 2019

Silver medalist at national round

#### ACM-ICPC 2018

My team was ranked 16th nationally

## STANDARDIZED TESTS

### IELTS Academic

#### IELTS

December 23, 2020    Dhaka, Bangladesh

- Overall 8
- Reading 9
- Listening 9
- Writing 7
- Speaking 6.5

## STRENGTHS

C   C++   Python   Java   MATLAB  
HTML   CSS   Javascript   Django  
LaTeX   Linux

## ACADEMIC INTERESTS

- Theory of Computation
- Data Structures & Algorithms
- System Security
- Number Theory
- Game Theory

## ONLINE COURSES

- Machine Learning, Stanford University, Grade: 100.00%,
- Introduction to Ordinary Differential Equations, KAIST, Grade: 100.00%,

## LANGUAGES

Bengali (C2)   English (C1)   Hindi (C1)  
Korean (A1)   Russian (A1)
